I'm L'Univers d'une Tricoteuse and a french speaker from Lévis(it's in Quebec city area). I design since may 2010 and I really enjoy it! I particularly like stranded knitting and ...a lot of colors! Be warned that most of my patterns are not for beginner. If you think there is a mistake inWhat all Charlie Bears fans understand - and what keeps them coming back - is that as well as being beautifully and individually handmade, each bear really does have its own wonderful character and unique identity., Designs By Isabelle.
