

Download Natural Solution For Insects

Battling Slugs With Barriers, Traps & Sprays. Slugs are common yard pests that are like snails but without the shell for protection. Their size can be between 1/4" to 10" in length and come in a variety of colors from light grays or yellows to shades of black. Save onion skins, peels and ends then refrigerate in an empty margarine-sized tub or ziploc bag until the container is full. Once you have enough, place the onion pieces in a pail and fill with warm water., Natural Solution For Insects.
